**Dear friends,**

Our team at Idyllwild Pines has spent much time together praying: for those who are hurting, for those who are risking much to help...and for an answer to: "How will we respond to the COVID-19 pandemic?"

In the last year COVID-19 has brought about isolation, uncertainty and fear, but we know camp is just the opposite, it offers a sense of community, direction, and peace. At Idyllwild Pines we want to be as ready as possible to serve as many as possible, when we are given the green light to do so.

**The Idyllwild Pines Camp Givebackathon** is one of the ways we can all team up to help. Your random acts of kindness will not only help change your local community but will also create resources for Idyllwild Pines to remain a spiritual antidote for all of those needing to heal from the challenges of 2020 through the unique power of camp.

**Kevin Relyea, Executive Director**
